Project Details

Description of Project:

Objectives of Project: (Brief Bullet Points)

How have you consulted the school community about the project?

Please describe how you have sought advice on your project from professionals or county council advisors.

How does your project fit in with your School Development Plan?

How will you involve the whole school community in the project?

Which areas of the curriculum will that project support?

How will the project be co-ordinated and managed sustainably?

Use this space to inform us of any future developments planned in the school that rely on this project taking place?

Cost

Please estimate the total project cost and give a breakdown of the budget.

How much are you requesting from the Duckworth Worcestershire Trust and where will you be obtaining the remaining funding from?

Additional Help

If you require additional help or advice from the Education officer or Environmental Wardens, please provide details.

Please e-mail or send your completed form to the address below.
There are two rounds of funding each year, closing on 1st January and 1st July.
You will be informed of the decision within six weeks of the application deadline.

Successful applications must:

- Provide proof of funding for the remaining project costs.
- Use The Duckworth Worcestershire Trust name or logo in any promotional material produced about the project.
- Complete an end of project report.
